SOIL CONSERVATION CLUBS	12
SWINE FOCUS GROUPS	15
ADD BOARDS	17

INTRODUCTION:

Producer Clubs provide an opportunity for producers to focus on areas of shared interest. Whether that shared interest is in crops, livestock, or markets, there are always things to discuss and ideas to share.

The sharing of ideas, speakers and resources between producer groups will be made easier through this publication.

To avoid duplication, Producer Clubs have been grouped within this listing into areas of primary interest only. Individual clubs may be involved in many activities. (For example, Birch Hills Crop Club, listed under "Crop Clubs", is involved with marketing as well as crop production.)

In order to update information within this directory, please forward any changes to the following address:

Saskatchewan Agriculture Development Fund
Room 209 - 15 Innovation Blvd.
SASKATOON, Saskatchewan
S7N 2X8

The Agriculture Development Fund has been active in supporting the projects and activities of Producer Clubs in the province for the past five years. ADF is committed to promoting the transfer of new ideas to keep Saskatchewan producers competitive in world markets.
